

January 1999

## **CURRICULUM VITAE**

**NAME:** KENNETH A. BLISS

**ORGANIZATION:** National Oceanic & Atmospheric Administration  
National Marine Fisheries Service  
Southwest Fisheries Science Center  
P. O. Box 271  
La Jolla, California  
(858) 546-7000

**PRESENT POSITION:** Oceanographer

**DISCIPLINE:**

Physical Oceanography

**EDUCATION:**

B.S., Geology, San Diego State University, 1964

**EXPERIENCE:**

1968 - present      Oceanographer  
National Marine Fisheries Service  
La Jolla, California

1967 - 1968      Oceanographer  
National Marine Fisheries Service  
Stanford University  
Palo Alto, California

**RESEARCH INTERESTS:**

Instrumentation and computer programming of salinity, temperature, and depth profiling systems.  
Physical processes related to fishery populations and distributions.  
Satellite image processing with fishery applications.  
Acoustic Doppler Current Profiling systems(ADCP) data processing and interpretation relating ocean currents and food availability.

## **HONORS AND AWARDS:**

Certificate of Recognition: 1977, 1979, 1985, 1986, 1988, 1991, 1993, 1995, 1997

## **FORMAL TRAINING RECEIVED FROM THE FEDERAL GOVERNMENT:**

Mini- and Micro-Computers - University of California Extension  
Physical Oceanography - Scripps Institution of Oceanography  
Satellite Oceanography - Scripps Institution of Oceanography  
Mastering the Irix operating system - Silicon Graphics, Inc.  
Introduction to System Administration - Silicon Graphics, Inc.  
Advanced System Administration - Silicon Graphics, Inc.  
Introduction to ARC/INFO - Environmental Systems Research Institute, Inc.  
Introduction to ArcView - Environmental Systems Research Institute, Inc.  
In-Service EEO Training Employee's Workshop - NOAA/DOC  
Interactive Data Language(IDL) - Research Systems, Inc.  
Introduction to Oracle - Oracle, Inc.
